TIPS FOR COMMUNICATIONS

- Address recipient as: Dear Mr. President, Dear Mr. or Madame Secretary, Dear Sen. _____, Dear Rep. _____
- Make your communication legible. Original letters are better than form letters.
- Mail to the U.S. Congress is very slow. It's better to fax, e-mail, or phone. If you send a letter, it's better to send it to the local office.
- Be brief, and refer to a bill by name or number.
- Give a reason for your request. Personal experiences are effective.
- Ask your official for his/her position on an issue.
- Put your complete name and address on your letter, since envelopes are trashed.
- Copy your legislators on any committee or departmental correspondence.
- Thank public officials and legislators when they support your position.
- Consider sending a copy of your message to the Letters to the Editor column of your local paper, perhaps introducing it with "[The issue] is of major concern to the people of this region. I have sent the following letter to _____."
